Join us to defend Ashraf Paris – 23rd June

This year's annual gathering in Paris is of special significance because of the recent developments in Camp Ashraf and Liberty. We will call on the UN to take over Camp Liberty and recognise its residents as refugees. We will send the people of Iran a message of strength, & hope for freedom so that they will know that the regime is without a future. We will send a strong message to those appeasing the mullahs that

there is a responsible alternative that cares and which is the frontier to end the suffering of Iranian people. We would like you to do your utmost to participate in this historic gathering, with your friends and family, to show your solidarity with the people of Ashraf and Liberty. Please email or call us to confirm your participation. Our phone number is **020 8816 8344**; our email is **info@icfto.com**
